PETER FRANUS
NAPA VALLEY • MERLOT

Some of the most highly regarded and sought after wines in the world come from Pomerol and St. Émilion. Why? Because the plump, plummy fruitiness and the lush, textured complexity of Merlot result in wonderfully delicious wines. When offered the opportunity to work with this varietal from the outstanding Stewart Vineyard in Carneros, I could not say no!

I produce small quantities of wine, each with a distinctive personality. A one-man operation, I allow experience and intuition to guide me toward my goal of making delicious wine.
