PETER FRANUS

NAPA VALLEY · ZINFANDEL

More than 25 years of producing Zinfandel has given me insight into the variety and the opportunity to work with some of the region's best growers. Their outstanding grapes result in a mouth-filling wine, reigned in by balance and structure. Add to that an effusive nose of berry and spice (and everything nice!) and you have a true Zinfandel experience.

I produce small quantities of wine, each with a distinctive personality. I have a great respect for tradition, and allow experience and intuition to guide me toward my goal of making delicious wine.
