Peter Franus Albariño 2009

“Best New World White”

A tiny planting (only 410 cases) of Spain’s Galician grape in the cooler Carneros region of Napa has resulted in a entrancing wine with white flower aromas and citrusy notes, broad flavours with natural acidity and a refreshingly dry, mineral finish.

4 Stars Highly Recommended - Peter Franus 2007 Napa Valley Cabernet Sauvignon

"Rich and developed fruit aromas with a caramelised character, herbs and minerals. Good use of classy oak, a cool, soft texture and creamy tannins. Drink 2012-2020."
